

Leave a legacy of hope for future generations.

Writing a Will is one of the most important ways to protect the people you love and ensure your wishes are honoured. It is also an opportunity to honour the values that have guided your life.

The challenges facing vulnerable children, families and communities cannot be solved in a single generation. By planning ahead, we can care for the people we love while also helping create opportunities, dignity and hope for future generations around the world.

YOUR LEGACY. THEIR TOMORROW.

The impact of your gift.

Help vulnerable families build brighter futures

Your gift can provide practical support and opportunities that help families break the cycle of poverty.

Support education, health and community development programs

Empowering communities through education, health, clean water and sustainable development.

Bring hope, dignity and practical support to future generations

Your legacy can create lasting change and ensure hope continues for years to come.

CREATING YOUR WILL

There are different ways to create or update a Will. Some people prefer working with a solicitor, while others choose an online Will-writing platform for a simpler and more accessible option.

If you are using a solicitor, suggested wording may include:

"I give to Every Home Global Concern Ltd, (ABN 88 001 276 240) a XX (insert gift details) for its general purposes."
